## PROJECTS

PayMaya's Internal Merchant Onboarding Platform  
since March 2021

Worked in building PayMaya's internal merchant onboarding platform which is used to onboard vendors/merchants to a plethora of their FinTech solutions/products. The platform integrates with various internal systems as well as external payment solutions such as Alipay, ShopeePay, and many more to make the system work.

Contact Center Telephony Applications / Services

July 2018 - March 2021

Worked with US clients (Banking/Insurance industry) in building their Computer Telephony Integration (CTI) applications and services. Our team worked on developing an easy-to-use desktop application where customer support agents can receive, transfer, or monitor calls. As well as the back-end services that enables such features.

Navitaire Payment System
